YEARS
EXPERIENCE **50⁺**

WEST & BARKER, INC is a custom plastic extrusion facility producing a wide variety of profile moldings, trims, and seals. WEST & BARKER is proud to have served the RV Industry with functional and decorative extrusions as well as supplying the Window and Construction Industries for 50+ years.

Since our founding in 1971, we have strived to consistently produce the highest quality extruded products at competitive prices. We at WEST & BARKER believe excellent service is our most favored trademark. To prove our commitment to the highest standards we implement a stringent Quality Assurance Policy. Our customer rejection rate is less than 1%. To better serve our clientele we maintain consistency and quality standards far above our competition.
